

N095F

Clamp mount for KUM4XX, KUM6XX and KUM7XX

This mount is made for side mast or vertical rail mounting of the KUM4XX, KUM6XX and KUM7XX antenna families.

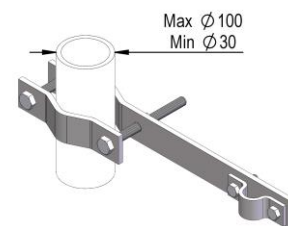

N095F is a heavy duty stainless steel mount withstanding long term rough weather conditions at sea. The Stainless steel is grade SS316 and electropolished for a better finish.

Each antenna requires two N095F kits for secure installation. The mounting is quick and simple by means of the brackets and bolt sets.

Mechanical Specification

Material	Stainless steel (SS316)
Finish	Steel grey
Weight (kg/lbs)	1.2 / 2.7
Mounting method	Clamp mount
